Mountain West Financial Successfully Continues to Grow with 3 New Retail Locations *Western United States Mortgage Lender Since 1990*

Mountain West Financial announced today that they are continuing to expand with the addition of three new branch locations during the 2nd quarter of 2015. The company's headquarters is in Redlands, CA with four Regional Operations Centers throughout California. They are currently licensed in six states in the Western United States with four additional states pending. "I am super excited to call Mountain West Home. I was looking for a mortgage banker that was a leader in training and purchase lending, which Mountain West is, but I have been blown away by the culture here. Everyone has been great and made my transition as smooth as possible. It is a very happy place I will now call work!" said Steve Emminger, Branch Manager of the Ontario Branch. In the 2nd quarter, Mountain West Financial also began implementation of a new LOS system that will help streamline our processes, keep our service level commitments and most importantly assist more homebuyers to fulfilling their dream of homeownership.

New Retail locations of Mountain West Financial, Inc. include:

- Mortgage West Financial – Las Vegas, NV
- MWF Oceanside – Oceanside, CA
